

This project is funded by the European Union

Date: 01.05.2016.

Report about enrollment within the project

ERASMUS+ 2014-1-PL01-KA202-003372 titled „International Partnership for Improving the Quality of Teaching in Vocational Schools”

at Daugavpils Tirdzniecības profesionālā vidusskola, Latvija

The school enrollment team has been chosen. It consists of 4 members: trade school principal Mr. Jurijs Kuklis, two intellectual output team representatives performing project tasks Mrs. Māra Raubiško (director's deputy) and Mr. Alexander Klimov (teacher), school project coordinator Mrs. Valentīna Garkule.

Form teachers have passed the information to students about project activities.

The enrollment took place till the 30th of April, 2016. Interviews with the 50 candidates were conducted. All participants are 18 years old or older.

Knowledge of English, motivation for participation in a project, basic ICT skills of students were taken into consideration.

The students have submitted the signed declarations of joining the project and application forms to the school project coordinator.

The list of students qualified for project participation and the reserve list (plus 2 students) was published on the school webpage www.dtskola.lv.

The following 20 students from the trade vocational secondary school have willingly agreed to participate in Erasmus+ project and actively to perform project tasks within the whole period of the project implementation:
